Cleveland, O., June 9.—All Cleveland fans tonight were mourning the death of James C. Dunn, president of the Cleveland baseball club, who because of his disposition had won the appellation of "Sunny Jim". Upon receipt of the news of his death at Chicago today's game between Cleveland and Washington was postponed and Major Fred Koppel ordered the flag on City hall flown at half mast.

It is believed here that Mrs. Dunn, widow of the dead man, will maintain her financial interest in the baseball club. Should she decide to do this she will be the first woman club owner in the American league.

In this event it is believed that Mrs. Dunn, manager of the Indians or Tom Walsh, of Davenport, Ia., vice president, will be named president of the club.

The body of James C. Dunn, who rose from a country boy bank messenger to chief owner of the Cleveland American league baseball club and partner of a big construction firm, will be sent to Marshalltown, his home town, tomorrow night for burial at 3 o'clock Sunday afternoon.

Accompanying the body of the baseball magnate who died at his home here this morning after a lingering illness induced by influenza last winter, will be three cars of admirers of the sportsman, headed by Dan Johnson, president of the American League.

The body tonight lay in state in its casket, covered with flowers. Mrs. Dunn received dozens of telegrams and messages of condolence.

## MRS. MALLORY GETS CHANCE AT MRS. BEAMISH TODAY

London, June 9.—By the form Mrs. Mollie Blumstedt Mallory displayed this afternoon in the semi-finals of the doubles in the North London tennis tournament, when with Miss Edith Sigourney, of Boston, she defeated Misses Brown and Bull, 6-1, 6-2, she indicated she is ready to re-engage when she meets Mrs. Beamish, the English player, in the singles final tomorrow.

Since her arrival in England, the American has continued to improve. She is greatly favored over Mrs. Beamish for tomorrow's match. It is considered in tennis circles that unless she can produce a game superior to that played by Mrs. Beamish she will not have much chance against Misses Brown and Bull. 6-1, 6-2, she indicated she is ready to re-engage when she meets Mrs. Beamish, the English player, in the singles final tomorrow.

Philadelphia, June 9.—Private R. T. The track was uphill but he managed to distance his opponents by ten yards.

His feat was said by experts to have been unusual in that recently Jake Driscoll's college bested athletes in the intercollegiate track stadium on a cinder track in 49 5/10 seconds.

The third corps area won the meet with 188 points. Norfolk navy base was second with 113; Philadelphia navy yard third with 19, and Fort Meyer, Va., fourth with 5.

## YALE CREWS IN TEST RACE ON THAMES

Gales Ferry, Conn., June 9.—The Yale varsity crew, known as the Blue crew, defeated the so-called White crew in a four mile race on the Thames late today. Although scheduled for tomorrow, Coach George Corderly, said he took advantage of the fine weather and water conditions and held the test a day ahead.

The Blue crew had a lead of one third length on the White at the end of the four miles.

The test started at the railroad bridge and the crews rowed up-stream at a slow stroke for the first two miles. The Blue boat fell behind at the start, but pulled up even at the mile. They stayed even until the two mile mark, when Ewing, stroke of the Blue shell, raised the helm. At the three mile mark the Blues had a length lead. During the last mile stroke Freeman of the Whites pushed the beat up crew to the limit. The Whites could not get even with the Blues. The time was not announced.

Coach Corderly said after the race that he had not determined which crew would represent Yale in the varsity race against Harvard. A new set of American oars arrived today and will be tried out next week.

The schedule for the twenty-third four mile test, which has been practically settled, and while the times of starting the several times are in each instance subject to last minute changes due to wind and tide conditions. According to present plans the freshman race will be rowed at 10:30 o'clock daylight time, starting at the upper end of the course and finishing at the two-mile stake opposite the Submarine Base. The second varsity race will likewise be rowed downstream over the upper half of the course, finishing opposite the Submarine Base. The varsity race is scheduled to be rowed up-stream starting from the railroad bridge at 5:30 o'clock daylight time, finishing four miles up the river, opposite the Gales Ferry quaters.

tournament. It will more than likely each club will be represented by teams of three or five men. It has been decided that the club winning the trophy will in turn put it up for the club championship, the winning player taking possession of the trophy.

This should provide two rather interesting tournaments. There are many excellent players on the five clubs that use the New York Municipal golf links, and as these clubs are out to strengthen their membership and at the same time form a Municipal golf club, the tournament should be of considerable assistance.

Winchester is very much interested in the promotion of golf on the municipal links. Last year they gave a trophy for competition between the municipal golf clubs of New England and teams of Boston, Hartford and Worcester played in Worcester with Hartford winning. Ten man teams played. The cup will be played for this year more than likely in Boston.
